

An ICTSI Group Company

Pakistan International Container Terminal Limited

The Chairman
All Pakistan Customs Agents Association
Karachi

Ref # CCD/014/10/2023
October 31, 2023

Dear Sir,

ADVISORY - IMPLEMENTATION OF TRUCK AXLE LOAD REGIME

I trust this letter finds you well. We want to express our sincere gratitude for the essential role and contributions made by your organization in enhancing business facilitation and providing support to the trade and industry.

As you are already aware of the implementation of Trucks Axle Load Regime under the National Highway & Safety Ordinance [NHSO-2000], the Karachi Port Trust [KPT] has also issued a notification recently to ensure compliance with the Axle Load Regime.

In this context, we kindly request your organization to disseminate this information with your members and customers, urging them to adhere the Axle Load Regime by assigning suitable truck(s) based on the weight of their consignment(s) for the transportation of containers to and from the Terminal to prevent any potential inconveniences along the way. A description of the permissible weight limits for trucks as per NHSO-2000 is enclosed for your reference.

Your cooperation in following the axle load regime is not only crucial for complying with the law but is also a commitment to ensuring the safety and well-being of our road infrastructure and road users.

We appreciate your understanding and cooperation in this matter.

Best Regards

For and on behalf of
Pakistan International Container Terminal Limited
As an agent of Karachi Gateway Terminal (Pvt) Limited

Waqar Ali Khan
Manager Customer Care
